• Don't confuse this BRAND NEW O'Keefe & Merritt model with the last year and other close-out sale models now being offered by other manufacturers. This is the latest 1938 model with special features that make it the sensation of the year.

• It is BIG and ROOMY, full white porcelain lined with rounded corners. It comes equipped with an attractive glass 4-piece set of food containers . . . 4 ice cube trays providing 112 cubes in fast time . . . automatic interior light . . . a new type door catch that opens with a gentle push of the arm or shoulder in case your hands are both full . . . and many other 1938 features.

• But most important, is its new, proven compressor that gives you uninterrupted service at LOW COST. In fact, many old electric refrigerators cost twice as much to operate as this new 1938 model. See it this week-end by all means. It's a REAL BARGAIN you'll remember for years to come! Small Down Payment with 30 Months to Pay!!
